Autumn Term 1

Dear Families,

It has been a very busy week in school and it was wonderful to see so many of you in school this afternoon for our Macmillan fundraiser, thank you for joining us. A big thank you for your very generous cake donations and we will let you know how much we have raised for Macmillan in due course. Thank you to our wonderful FOMS team for arranging the event and thank you for your continued support.

## THIS WEEK IN SCHOOL

**Delapre:** The children in Delapre are very excited about their trip to Holdenby house in a few weeks and are keen to experience the life of a Victorian child. This week we have been learning all about Queen Elizabeth II and next week we will be finding out facts about Queen Victoria.

**Stanwick:** In Science we have been testing whether longer legs mean you can jump further. We had great fun doing our longest leaps and comparing how far we went.

**Brixworth:** Brixworth class have begun to work on addition and subtraction strategies in Maths and have written an argument to end our English unit entitled "Is it right to steal?". In science the children were measuring their heart rate and investigating whether different types of exercise affect their heart rate in different ways.

## SCHOOL PHOTOGRAPHS NEXT WEEK

If you would like a photograph taken with pre-school siblings the door to the school hall will open at 8.45am to allow for these to be taken before the session.

# It's school photo time!
