

Maths Facts

Year 1 – Summer 2

Doubles and halves to 10. Know near doubles to 5

By the end of this half term, children should be able to recall these facts instantly.

Double 1 is 2.

Half of 2 is 1

Double 2 is 4

Half of 4 is 2

Double 3 is 6	Half of 6 is 3
Double 4 is 8	Half of 8 is 4
Double 5 is 10	Half of 10 is 5
Double 6 is 12	Half of 12 is 6
Double 7 is 14	Half of 14 is 7
Double 8 is 16	Half of 16 is 8
Double 9 is 18	Half of 18 is 9
Double 10 is 20	Half of 20 is 10

If we know doubles of a number you can use this to help with near doubles

If $1 + 1 = 2$ then $1 + 2 = 3$

If $2 + 2 = 4$ then $2 + 3 = 5$

TOP TIPS

Try to practice in the car or walking to school. Use real objects to double and half – buttons, pasta shapes etc.

You can try to practice on 2x tables on TTRockstars using Studio to increase your speed, or Jammin' to practice one fact at a time without a timer. 2x table is the same as doubling
