Autumn Term 3

Friday 29th January 2021

This term continues to be a strange and challenging one for everyone and we are very aware of the impact of this on all of you at home. Whilst we as a staff continue to work hard to provide you with teaching, activities and support, we know that that this still gives you a complex juggling act to manage at home. We are as ever immensely grateful for all that you are doing and all that you are enabling your children to achieve.

We know that children are becoming increasingly tired and overwhelmed by the situation and we are looking for ways that we can support them and you in this. We would like to invite all parents to a virtual Afternoon Tea / Late Lunch on Tuesday 2<sup>nd</sup> February at 1pm (sorry not to be able to provide the refreshments on this occasion!). Through this we hope to be able to share some ways to make things easier and also to take your views on some ideas we have for the next few weeks. We want to ensure that anything we do is supportive to you. Hopefully we will also be able to answer any questions you have, although it would be very helpful if you could send these to us in advance via class emails or the office email. Details for the meeting will be sent via Parent Pay next week but can I please remind you to have your name as your family name so that we are able to let you join.

We also know that you will have heard the provisional date given for the return to school next term. As yet, we have no more information on this than what has been announced in the news. As always, we will let you know anything that we can as soon as we are able.

A huge thank you from all the staff for your kind words and understanding.

Mrs Rachel Scott
